

Dear Service Provider,

The New Fairfield Commission On The Aging would like to invite you to participate in a program that would provide services and other resources at a discounted rate to our seniors.

The Commission will provide to our seniors a directory of service providers who would be willing to do small jobs (perhaps big jobs as well) at a reduced rate. The reduced rate would be at your discretion.

We would like to support our local service providers by including your contact information in a directory that would be available at the Senior Center and other areas in town that seniors frequent. If you are interested in participating in this program complete the enclosed application and return to the Senior Center.

We hope that you will accept our invitation to assist New Fairfield seniors in this special way.

Yours truly,

Maureen Salerno
